

Pete Davis answers some frequently asked questions:

1. Yes. I have a new phone number. It is 361.564.5407.

I still live in Cuero, but a 564 prefix is a local call for most areas including Victoria.

2. Yes. I sold the ISP business. With over 15 years of experience, I have decided to work independently.

3. Yes. I charge \$75/hr (\$50 minimum) for on site PC Hardware/Software/Network support, virus/spyware/junk file removal, and website setup and design, VPN configuration or most other PC and network related tasks.

4. I will only charge for additional mileage if the service call is over 50 miles from Cuero.

5. Yes. I can fix your computer and network problems regardless of which ISP you use or where you bought your computer or who worked on it last.

6. Yes. I guarantee my work, and I never expect you to pay me for service that you are unhappy with.

7. No, I won't do THAT. I am a married man.
